INVITATION

Foreign Missions Street Festival 2017

On October 24, 2017, the Office of Foreign Missions (OFM) will host the second annual *Foreign Missions Street Festival*. Each embassy and international organization located in the District of Columbia is invited to send **up to five** representatives to this event. The event's hours are 10:00 AM to 3:00 PM.

The event will take place at the planned Foreign Missions Center on the campus of the former Walter Reed Army Medical Center. Entrance to the event is at the intersection of 14th Street, NW and Alaska Ave, NW (see enclosed site map).

Among other repeat attractions from last year's event, this year's festival will once again include performances by the [U.S. Army Band "Pershing's Own."](#) Additionally, there will be a number of new attractions, along with a few surprises!

This year's *Partner Expo* will feature numerous vendors who participate in the District of Columbia's Department of Small and Local Business Development's "*Made in DC*" program (www.thisismadeindc.com/). These vendors will provide samples of their wares and services and will allow an opportunity for the foreign mission community to learn more about this diverse group of entrepreneurs.

Photos from last year's festival are available at www.state.gov/ofm/specialprojects/streetfestival/index.htm.

Missions are requested to notify OFM of the names of their attendees no later than **October 6th**. Such notifications should be made via OFM-rsvp@state.gov. Again, each embassy and international organization may send **up to five** representatives to this event.
